

Family Plan

Knowing that your family and loved ones are safe is a priority. To do this we recommend the following tips:

- Discuss your family plan in case you need to use it
- Have an out-of-state contact in case local telephone lines are down
- Designate a local meeting spot
- Make a mental note of each family member's location at specific times during the day
- Keep the information current
- If your employer requires you to stay at work during a disaster, have a predetermined person check on your family to make contact with you or the out-of-state contact

DISASTERS TO PREPARE FOR

Severe Weather Events

- Prepare for extended power outages
- Plan for extra food and water needs
- Have a plan for pets/livestock
- Plan for heating needs
- Drive only if it's essential
- Monitor local news/radio stations for emergency information
- During freezing conditions, protect pipes and leave a faucet dripping

Floods

- Clear storm drains of leaves
- Sandbag in advance, if needed
- Evacuate when asked to do so
- Take your pets with you
- Help others during an evacuation
- Do not drive through flood waters
- Rescue only by throwing a floatable device

Earthquake

Prepare

- Create a plan
- Prepare disaster kits
- Secure and strengthen your home

Survive

- Drop, cover, and hold on

Recover

- Check for injuries
- Check for building damage
- Check for utility damage
- Follow your plan

Utility Shut offs

Know the location of the following

- Main electrical shut off
- Main water valve shut off
- Gas valves (natural or propane)
- Location of water and gas wrenches

Note: Only shut off the gas if you suspect a leak

EMERGENCY PREPAREDNESS KITS

Following a disaster, first responders may be delayed for hours or even days. FEMA recommends we keep two weeks of food, water, and supplies on-hand in order to provide for the needs of our family. Your emergency provisions should be kept in a container that is easily transported and compact enough to fit in a closet, car, or trunk.

Supplies to include:

- Water: one gallon per person per day
- Food with a long shelf life
- Flashlights with spare batteries
- First aid kit
- Personal hygiene items
- Prescription medications
- Sturdy shoes and gloves
- Crank style radio
- Rain gear and warm clothing
- Blankets and sleeping bags
- Knife
- Multi-tool
- Rope
- Tarp
- Duct tape
- Lighter
- Family contact list
- Cell phone charger
- Cash
- Pet supplies

An extended list can be found at:
www.clackamasfire.com
