This statement is from the Sandy Fire Chief and the Board of Directors of Sandy Fire District No. 72 in reference to the Feasibility Study - Financial Review pages 11-20.

We wanted to point out that some of the study's accounting interpretations results in Sandy Fire District financial position being less than it is. This is due to differences in our financial budgeting practices and those applied by AP Triton.

Sandy's Fire Chief and the Board of Directors want to assure the people that we serve that we are in a sound positive financial position. We have been and will continue to work within the tax revenues of those that we serve.

All of Sandy Fire District's budgets and actual spending are available to the public. Our goal is to provide the best service possible and to remain transparent in all our financial dealings. Additional questions regarding Sandy's fiscal practices contact the Fire Chief at 503-668-8093 during Monday through Friday 8am – 5pm

Thank you for the opportunity to represent and serve the district's members.

Sincerely,

Phil Schneider – Fire Chief

Sue Hein – Board President

Andrew Brian – Board Member

Mark Maunder – Board Member

Justin Stuchlik – Board Member

Ron Lesowski – Board Member
