**SECTION 00 45 21**  
**FIRST TIER SUBCONTRACTOR DISCLOSURE FORM**

The Owner, pursuant to ORS 279C.370, must reject a Bid if the Bidder fails to disclose information about certain first-tier subcontractors when the contract value for a Public Improvement is greater than \$100,000. Within two (2) hours of the date and time of the deadline when bids are due, the Bidders shall submit to the City a disclosure of any first-tier subcontractors whose contract value is equal to or greater than: a) five percent (5%) of the total Project bid, but at least Fifteen Thousand Dollars (\$15,000); or b) Three Hundred Fifty Thousand Dollars (\$350,000), regardless of the percentage of the total Project bid.

The Bidder must disclose the required information about that subcontract either in its bid submission or within two hours after bid closing, by completing the attached form.

If the Bidder will not be using any subcontractors that are subject to the above disclosure requirements, the Bidder is required to indicate “*NONE*” on the attached form.

Compliance with the disclosure and submittal requirements of ORS 279C.370 and this rule is a matter of responsiveness. Bids that are submitted by bid closing, but for which the disclosure submittal has not been made by the specified deadline, are not responsive and shall not be considered for contract award.

Substitution of affected first-tier subcontractors shall be made only in accordance with ORS 279C.585. Agencies do not have a statutory role or duty to review, approve, or resolve disputes concerning such substitutions. See ORS 279C.585 and 279C.590 regarding complaints to the Construction Contractors Board on improper substitution.
