

# Defensible Space Debris Collection Days

**Saturday, May 10 (10am - 3pm) & Sunday, June 8 (10am - 3pm)**

**Clackamas Fire Station #10  
22310 S Beaver Creek Rd.  
Beavercreek, OR**

It's that time of year again. Fire season is not far away and now is a great time to **reduce risk** by creating **defensible space**. Clackamas Fire is here to help.

Take advantage of this beautiful weather to get outside and pick up all the dead woody debris in your yard so it is not a fire hazard this summer, then drop off at our woody debris collection site in Beavercreek for **FREE**.

## **What is accepted?**

Brush, sticks, and branches smaller than firewood size. **We will NOT be accepting needles, leaves, or bark dust at these events.**

## **What is not accepted?**

Needles, leaves, rocks, sod, dirt, lumber, metal, trash or plastics of any kind, including plastic bags.

Visit [the link](#) for more information about creating defensible space and how to package and transport your yard debris.

**Have a safe fire season!**
